Excerpt From the Rules and Regulations for Artillery Pieces

1. Field pieces must be full size 12-lb Napoleons, 3" Ordinance Rifles, 6-pounders, or 10-lb Parrots mounted on full scale #1 or larger field carriages. For the 2022 reenactment, Mountain Howitzers will be accepted.
2. A safety zone of 50 yards in front of the cannons will be maintained whenever the guns are firing. No loading of cannons will occur and an immediate cease fire order must be given when cavalry or troops are within the safety zone. Passing in front of cannons is extremely dangerous and must be avoided.
3. During battle scenarios, crossed rammers must be prominently displayed to caution a misfire in the face of approaching participants.
4. All sanctioned cannons and crews must participate in both scripted battles to be eligible for a cannon bounty of \$200. Bounties are limited to the first 15 participating artillery pieces per army (USA or CSA) for a total of 30 available bounties.
5. The chief of artillery, in accordance with the rules of CCBF, has the authority and responsibility to inspect and grant a "go" or "no go" **final say** in matters concerning drill, uniform requirements, safety, condition of gun & implements, and proficiency of the cannoneers.

The movement of artillery pieces requiring modern means (vehicles and trailers) shall be placed prior to the scheduled engagement. These pieces will remain in position until after the battle. Only upon Artillery Command's release to remove the gun(s) from the field shall it be removed. **CCBF will issue one designated tow vehicle pass per registered artillery piece which must be kept on the dash at all times.** All modern vehicles and trailers must be removed from the landscape and kept out of sight throughout the event and during the engagement. **This will be strictly enforced.**
